SUMMER OF FUN

YOU'RE INVITED!

This summer, Guardian Care is bringing families together with our **Summer Socials**, a free event series designed to celebrate community, connection, and sunshine.

Each gathering offers a chance for families in our caregiving community to relax, enjoy some music and good food, play games, and connect with one another in a welcoming, supportive space.

Whether you're a current caregiver, a family member, or a friend, you're invited to join us for an afternoon of fun and camaraderie. It's our way of saying thank you and creating space for joy, conversation, and community all summer long.

August Summer Social dates will be announced soon!

Guardian Care Employee Spotlight

Jennifer Keen

Director of Care Services

With over 20 years of experience in administrative and HR roles within healthcare, Jennifer has dedicated her career to supporting care teams and ensuring compassionate, high-quality service. She's led staff development, built strong employee relations, and worked hands-on with medically complex populations in both professional and volunteer settings.

Guardian Health, our new Home Health Agency, offering Skilled Nursing and home health aide services is coming soon. Reach out to your Care Manager for more details or with any questions!
