

# CAREIBOU

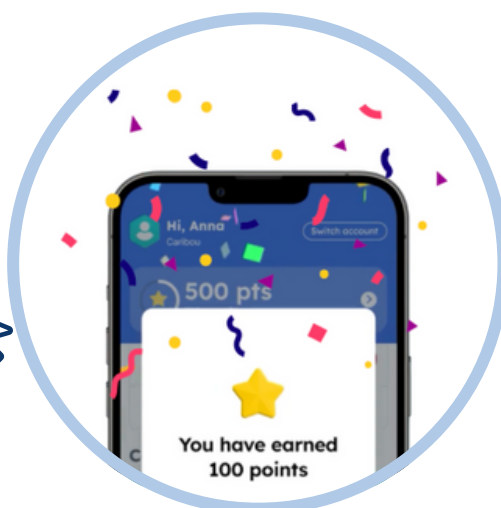

## Recognizing Caregivers At Each Step

At Guardian Care, it's a privilege to share small rewards to recognize our caregivers. We recently elevated our caregiver reward program from Motivosity to Caribou.

From milestone bonuses for new hires, to recognition awards, birthday rewards, and monthly prize draws, caregivers have multiple ways to earn. Whether it's consistent EVV clock-ins, referrals, or demonstrating best practices, every action helps you get rewarded.
